Re: Freedom of Information-Privacy Acts (FOIPA) Request
Subject: Negley, James Luther

Dear Sir:

I have made a request under the Privacy Act of 1974 and the Freedom of Information Act to Headquarters, Federal Bureau of Investigation, U.S. Department of Justice. By letter dated July 27, 1999, I was informed by John M. Kelso, Jr., Chief, Freedom of Information, Privacy Act Section that a search of the automated indices to the Bureau's central records system files at FBI Headquarters located no records responsive to my FOIPA request to indicate that I have ever been of investigatory interest to the Bureau. In a response to my appeal of that decision, Richard L. Huff, Co-Director of the Office of Information and Privacy of the U.S. Department of Justice advised me that if I wished to have records searched from various FBI field offices, I must make a request directly to each one of the field offices that I believe may have records. The appeal number was 99-4531.

Based upon the information received and indicated herein, I request a copy of any records about me maintained at and by the FBI in your field office. To assist you in locating the records, my social security number 457-76-8235 and my Texas Driver's License number is 14752874.

I am willing to pay necessary fees for this request. Please advise me of the amount, if any.

Enclosed is a notarized signature and a copy of my driver's license which will verify my identity.
